Beginning August 7th, visit Texas.gov/PropertyTaxes to fnd a link to your local property tax database. You can easily access informaton regarding your property taxes, including informaton regarding the amount of taxes each entty that taxes your property will impose if the entty adopts its proposed tax rate. Your local property tax database will be updated regularly during August and September as local elected ofcials propose and adopt the property tax rates that will determine how much you pay in property taxes.

"The Texas Legislature does not set the amount of your local taxes. Your property tax burden is decided by your locally elected ofcials and all inquiries concerning your taxes should be directed to those ofcials."
